Related to the conflict of interest, considering article 24 of EU Directive 2014/24 on Public Procurement and article 13 of the Loi du 8 avril 2018 sur les Marches publics du Luxembourg,

For reasons of being involved in the following ESPON EGTC activity: **“KARPAT (Determinants and opportunities for the socio-economic and spatial development of the Carpathian region”**, I hereby engage myself to respect the following principles, confirming that:

- a) I cannot be involved in the implementation of the ESPON EGTC activities where a conflict of interest exists.
- b) I acknowledge that a conflict of interest exists when the impartial and objective exercise of the activities is compromised for reasons involving family, emotional life, political or national affinity, economic interest or having any other shared interest with an ESPON EGTC service provider.
- c) To the best of my knowledge and belief there are no facts or circumstances, past or present, or that could arise in the foreseeable future, which might call into question my independence in the eyes of any party involved.
- d) To the best of my knowledge and belief I will declare without a delay any conflict of interest with regard to economic operators (individuals, members of a consortium/proposal, or subcontractors) which:
 - participate in the ESPON EGTC procurement procedure or other related activities in which I am taking part and/or;
 - have submitted a tender/proposal for this activity.
- e) If I discover or should it become apparent during the course of the evaluation process or while performing any other tasks entrusted to me, that a conflict of interest exists or has arisen, I will declare it immediately to the ESPON EGTC; and if a conflict of interest is found, I will cease to take part in the implementation of the related activity.
- f) I will keep all matters entrusted to me strictly confidential and I will not disclose to any third party any sensitive information or document that is revealed to me, in particular during the preparation of terms of reference and the public procurement process, and I will not make any adverse use of the information given to me.
- g) I acknowledge that I am liable in case of breach and the ESPON EGTC is not liable.
- h) I acknowledge that Luxembourg's tribunals are competent to decide on potential conflicts related to this declaration and its breach.
